AWARD: Awards are valued at \$1500 each. Non-renewable.

SPONSOR BIOS:

AGCO is a global leader in the design, manufacture and distribution of agricultural solutions and supports more productive farming through its full line of equipment and related services. AGCO products are sold through five core brands, Challenger®, Fendt®, GSI®, Massey Ferguson® and Valtra®, supported by Fuse® precision technologies and farm optimization services, and are distributed globally through a combination of over 3,000 independent dealers and distributors in more than 150 countries. Founded in 1990, AGCO is headquartered in Duluth, Georgia. For more information, visit www.AGCOcorp.com.

Intivity Center, the official visitor center for AGCO's Jackson, Minnesota facility, is a destination for agricultural equipment enthusiasts of all ages. For more information, visit www.AGCOcorp.com

AGCO Finance has been offering comprehensive financing programs based on innovative financial products to meet the individual needs of our customers since the 1950s. Whether a customer chooses to purchase, lease or rent equipment, AGCO Finance can provide a competitive solution. Working with AGCO Finance, professional farmers around the world can acquire the right equipment to help them grow their business and also improve their management of cash flow and credit lines.

Chevy Trucks Scholarship Program

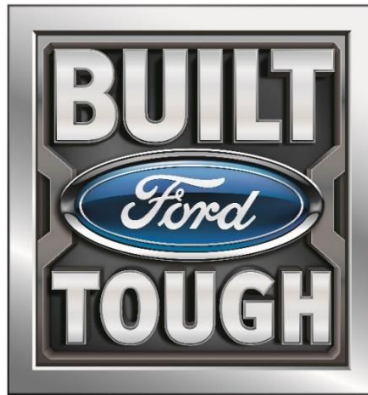

ELIGIBILITY: High school senior or college student pursuing a two- or four-year degree or specialized training certification in any major. Preference given to limited number of applicants pursuing a major related to service and technical skills.

AWARD: Awards are valued at \$1000 each. Non-renewable.

SPONSOR BIO: For over a century, Chevrolet has been a passionate believer in the power of ingenuity and innovation in our quest to find new roads. Chevrolet and its dealers are proud to announce participation in the FFA collegiate scholarship program in support of our long-standing relation with the National FFA.

Ford Motor Company Fund and Ford Trucks Built Ford Tough - FFA Scholarship Program

ELIGIBILITY: High school senior or college student pursuing a two-year or four-year degree in any major. Applicants must apply online and then visit their local participating Ford Truck dealer for signature and dealer code. Qualified students will be considered for all FFA scholarships, but in order to be considered for the Built Ford Tough – FFA Scholarship, they must have a Ford dealer signature and dealer code on the required Signature Page.

To find a participating dealer who has identified a local FFA chapter, visit FFA.org/scholarships. Applicants unable to find a participating dealer online may obtain a signature and dealer code from their local Ford dealer to make them eligible for one of five national scholarships.

AWARD: Up to 500 scholarships available at \$1,000 each to be awarded on behalf of participating Ford Truck dealers. Five additional national scholarships at \$1,000 each will be available to students who do not have a participating Ford Truck dealer in their area but did obtain a Ford dealer signature and dealer code. Non-renewable.

SPONSOR BIO:

Ford has been building tough trucks that move and service America since 1908. 2018 marks the 71st year of FFA support by Ford Trucks and Ford Motor Company Fund.

Ford is one of the largest corporate sponsors of scholarships in the National FFA scholarship program. Since 1997, Ford and participating Ford Truck dealers have awarded more than \$11.8 million in scholarships to FFA members.

AWARD: Awards are valued at \$1000. Non-renewable.

SPONSOR BIO: For more than a century, the people of Archer Daniels Midland Company (NYSE: ADM) have transformed crops into products that serve the vital needs of a growing world. Today, we're one of the world's largest agricultural processors and food ingredient providers, with more than 32,000 employees serving customers in more than 160 countries. With a global value chain that includes more than 500 crop procurement locations, 250 ingredient manufacturing facilities, 38 innovation centers and the world's premier crop transportation network, we connect the harvest to the home, making products for food, animal feed, industrial and energy uses. Learn more at www.adm.com.

Arthur and Nell Lewis Memorial Scholarship

ELIGIBILITY: High school senior or eligible college student pursuing a four-year degree in agricultural education. Attendance at the College of Agriculture and Life Sciences, Virginia Polytechnic and State University, Blacksburg, Va., required. Applicant must be a member of Virginia FFA and a resident of Virginia with preference given to residents of Bland, Buchanan, Carroll, Dickenson, Floyd, Giles, Grayson, Lee, Montgomery, Patrick, Pulaski, Russell, Scott, Smyth, Tazewell, Washington, Wise or Wythe counties. Minimum GPA of 2.75 on a 4.0 scale required.

SPONSOR BIO: Established by Wiley B. Lewis in memory of his parents Arthur and Nell Lewis, who provided loving support and encouragement for him to attend college and pursue a teaching degree.

B.R.I.D.G.E. Endowment Scholarship

ELIGIBILITY: The B.R.I.D.G.E. Endowment Fund Scholarship is a \$5,000 scholarship for physically disabled or handicapped members of FFA pursuing a two- or four-year degree in the field of agriculture. A supplemental document, available through the application, is required to be eligible for this scholarship.

Beck's Hybrids

ELIGIBILITY: High school senior pursuing a two or four-year degree in any area of agriculture except social services. Must be a resident of Illinois, Indiana, Iowa, Kentucky, Michigan, Minnesota, Missouri, Ohio, South Dakota, Tennessee or Wisconsin. One scholarship awarded per state. Applicant's family must be a Beck's Hybrids Seed customer.

AWARD: Awards are valued at \$2000 each. Non-renewable.

SPONSOR BIO: Beck's Hybrids (www.beckshybrids.com) is the largest family-owned, retail seed company in the United States, serving farmers in Indiana, Illinois, Iowa, Kentucky, Michigan, Minnesota, Missouri, Ohio, South Dakota, Tennessee, and Wisconsin. Because of our size and independence, Beck's has worldwide access to the best genetics and trait technologies. We are farmers too, and we understand what farmers need. We strive to provide all customers with the tools they need to succeed on their farm.

Birdsong Peanuts

ELIGIBILITY: High school senior pursuing a four-year degree in agriculture or agribusiness. Must be a resident of Alabama, Florida or Georgia. Applicant or applicant's family must be peanut producers.

AWARD: Awards are valued at \$1000 each. Non-renewable.

SPONSOR BIO: Birdsong got its start in 1914 when T.H. Birdsong opened a feed and seed store in Courtland, Virginia. The company expanded into storing commodities and began shelling peanuts in the 1930's. The shelling plant burned in 1939 and Mr. Amedeo Obici, founder of Planters Peanuts, asked T.H. Birdsong's five sons to relocate near his factory in Suffolk, Virginia. That plant is still in operation today.

Until 1965, all of Birdsong's business was in Virginia and North Carolina. Today the company has expanded its geography with shelling plants strategically located from the east coast of Virginia to New Mexico. Birdsong partners with farmers in eleven states and sells peanuts to product manufacturers in the United States and around the world. We also own extensive cold storage warehouses which enable us to keep our product in a protective environment until it's shipped to the customer. Finally, we have extensive farm operations in Florida and Texas where we grow peanuts on land that is 100% irrigated.

BNSF Railway Foundation

ELIGIBILITY: High school senior pursuing a four-year degree at an accredited four-year college in the following areas of agriculture: business management, economics, sales and marketing or finance. One scholarship will be awarded to members from the following states: California, Illinois, Iowa, Kansas, Minnesota, Montana, Nebraska, North Dakota, South Dakota and Texas. Minimum 3.0 GPA on a 4.0 scale required.

AWARD: Awards are valued at \$5000 each.

SPONSOR BIO: The BNSF Railway Foundation is the major channel of philanthropy for BNSF. The Foundation administers a consistent contributions program in recognition of the company's opportunity to support and improve the general welfare and quality of life in the communities it serves.

Brandt Consolidated Inc.

ELIGIBILITY: High school senior pursuing a four-year degree in any area of agriculture except social services. Must be a resident of Illinois and plan to attend the University of Illinois. Minimum 2.5 GPA on a 4.0 scale required. Applicant must have participated in community service.

AWARD: Awards are valued at \$1250 each. Non-renewable.

SPONSOR BIO: The Brandt Retail Agronomy Division provides agronomy support, fertilizer, crop protection chemicals, seed and custom application to farmer customers in central Illinois. Founded in 1953, Brandt operates 19 retail agronomy locations. The Brandt Specialty Formulations Division manufactures and markets a wide range of specialty fertilizers, micronutrients, adjuvants and organics in the U.S.A and international markets serving farmers around the world.

Bunge North America

ELIGIBILITY: High school senior or college student pursuing a two- or a four-year degree in select majors in agricultural production, communication, education, management, finance, sales, marketing, science, equestrian science, sustainable agriculture, engineering or public service in agriculture. Minimum 2.5 GPA on a 4.0 scale required. Applicants must exhibit strong leadership skills and reside in one of the 48 contiguous states. Recipients will be invited to visit a Bunge facility to learn more about the company and available opportunities.

AWARD: Awards are valued at \$1000 each. Non-renewable.

SPONSOR BIO: Bunge North America (www.bungenorthamerica.com), the North American operating arm of Bunge Limited (NYSE: BG), is a vertically integrated food and feed ingredient company, supplying raw and processed agricultural commodities and specialized food ingredients to a wide range of customers in the animal feed, food processor, food service and bakery industries. With headquarters in St. Louis, Mo., Bunge North America and its subsidiaries operate grain elevators, oilseed processing plants, edible oil refineries and packaging facilities, and corn, wheat and rice mills in the U.S., Canada and Mexico.

Cal-Maine Foods, Inc.

Cal-Maine Foods, Inc.

ELIGIBILITY: High school senior or college student pursuing a degree or certification in select areas of agricultural production, management, finance, engineering or science. Minimum 2.5 GPA on a 4.0 scale required. Applicants must be a resident of Alabama, Arkansas, Florida, Georgia, Kansas, Kentucky, Louisiana, Mississippi, New Mexico, North Carolina, Ohio, South Carolina, Texas or Utah. Applicants must have participated in community service.

AWARD: Awards are valued at \$1000 each. Non-renewable.

SPONSOR BIO: Cal-Maine Foods is primarily engaged in the production, grading, packaging and sale of fresh shell eggs, including conventional, cage-free, organic and nutritionally-enhanced eggs. The company, headquartered in Jackson, MS, is the largest producer and distributor of fresh shell eggs in the United States. With sales of over one billion dozen in fiscal 2016, this represents approximately 23 percent of domestic shell egg consumption in the United States.

Case IH Future Farmer Scholarships

ELIGIBILITY: High school senior pursuing a four-year degree in select areas of agriculture including agronomy, sciences, education, finance, management, engineering, conservation and genetics. Student must live on family farm. Student and/or family must be involved in beef or dairy cattle, corn, cotton, fruit or vegetable production, grain sorghum, peanuts, production agriculture, sheep, soybean, swine or wheat. Minimum 2.5 GPA on a 4.0 scale required.

SPONSOR BIO: Case IH is a global leader in agricultural equipment, committed to collaborating with its customers to develop the most powerful, productive, reliable equipment – designed to meet today’s agricultural challenges. With headquarters in the United States, Case IH has a network of dealers and distributors that operates in over 160 countries.

Cheryl Dant Hennesy Scholarship

ELIGIBILITY: High school senior pursuing a two- or four-year degree in any area of study. Resident of Georgia, Kentucky or Tennessee required. Applicants must be female. Must complete financial analysis section of application and demonstrate financial need, as well as individual motivation.

SPONSOR BIO: Established by Mrs. Georgia M. Hellberg, through her estate, for her interest and support in the preservation of land and the agricultural heritage of the country.

Hoard's Dairyman
W.D. Hoard and Sons Company

HOARD'S DAIRYMAN

ELIGIBILITY: High school senior or college student pursuing a four-year degree in dairy science or agricultural journalism. Preference given to applicants with agricultural communications emphasis.

AWARD: Awards valued at \$1000 each. Non-renewable.

SPONSOR BIO: Established in 1885 by Wisconsin's 16th governor, W.D. Hoard, the mission of Hoard's Dairyman is to supply dairy farmers and their advisors from North America and around the world with practical, factual information to assist in all facets of their dairy businesses. Every issue of the magazine places emphasis on feeding, breeding and animal health, as well as general farm management. Hoard's Dairyman is also available in Spanish and Japanese versions. In addition to the magazine, the company's dairy farm that was founded in 1899 is home to the longest continuously-registered Guernsey herd. For more information about Hoard's Dairyman visit www.hoards.com.

Hormel Foods Corporation

Applicant must be a resident of and planning to attend a college or university in Wisconsin.

AWARD: Awards valued at \$1000 each. Non-renewable.

SPONSOR BIO: Kikkoman Foods, Inc. (www.kikkoman-usa.com). Since 1957, Kikkoman Sales, USA, Inc., the marketing company for Kikkoman products to the retail food service and food manufacturing industries, has been distributing products in the United States. Kikkoman is the best-selling and most widely recognized soy sauce brand in America.

LaCrosse Footwear, Inc.

ELIGIBILITY: High school senior or college student pursuing a two- or four-year degree or certification in any agricultural major except social services.

AWARD: Awards valued at \$1000 each. Non-renewable.

SPONSOR BIO: Founded in 1897 in La Crosse, Wisc., the LaCrosse brand is built upon a rich heritage spanning 120 years of delivering high quality, dependable, performance-based footwear and waders for men and women to use whether for hunting, working or tending the land upon which they tread. Our boots give you the freedom to focus on what matters most to you. Because that's what matters most to us.

Lincoln Electric Company

ELIGIBILITY: High school senior or college student pursuing fifteen-week advanced welding course. Scholarship recipient must attend welding courses at Lincoln Electric's Cleveland, Ohio, plant. Recipient pays for temporary housing – housing list provided upon request. Protective gear may be purchased at the school for special student prices. The award covers the full tuition cost for Lincoln Electric's "Comprehensive Welding Program," designed to instruct welders in arc welding safety and all the common welding processes, including SMAW (stick), GTAW (TIG), GMAW (MIG) and FCAW (flux-cored). Course also covers pipe welding, oxy-fuel and plasma arc cutting and alloy and hardfacing welding. Students spend about 20% of their time in the classroom and 80% in the booth, with more than 400 hours of total hands-on instruction.

AWARD: Award valued at \$6,670

SPONSOR BIO: Located at Lincoln Electric's headquarters in Cleveland, Ohio. Since 1917, the Lincoln Electric welding school has instructed over 100,000 men and women in the various methods and techniques of safety and arc welding processes.

Work with highly trained & qualified instructors committed to your success.

- Receive graduation certificate upon successful completion of the course
- Combine your welding skills with Lincoln's excellent reputation in the industry for producing quality students to help improve your chances of landing a great welding job
- Network with others in the welding industry

For more information on the program, call Lincoln Electric directly at 216-383-2259 or visit our website at www.lincolnelectric.com.

Mahindra USA – Urban / Ag Scholarship

ELIGIBILITY: High school senior pursuing a degree or certification in any major. Applicant must attend in an inner-city high school in Chicago, Detroit, Houston or Atlanta. Minimum 3.0 GPA on a 4.0 scale required.

AWARD: Awards valued at \$2500 each. Non-renewable.

SPONSOR BIO: The Mahindra Group focuses on enabling people to rise through solutions that power mobility, drive rural prosperity, enhance urban lifestyles and increase business efficiency. Mahindra also believes strongly in Driving Positive Change in the industry and is committed to the future through scholarship programs designed to lead the way. Martin Sorkin Memorial Scholarships

ELIGIBILITY: High school senior pursuing a degree and career path in international trade, economics and/or public policy. Applicant must exhibit academic excellence and public service. Minimum 3.0 GPA on a 4.0 scale required.

SPONSOR BIO: Mr. Sorkin helped develop policies for distributing surplus crops to countries facing food shortages. This effort evolved into the Food for Peace program, now administered by the U.S. Agency for International Development. Mr. Sorkin also served as assistant agriculture secretary and was economic adviser to Agriculture Secretary Ezra Taft Benson. Mr. Sorkin left the Agriculture Department in 1961 to work as an independent consultant. He provided economic consulting services to many trade groups and agribusiness corporations, including Archer Daniels Midland, until his death. He remained an unofficial consultant to high-ranking Agriculture Department officials throughout his life. In the 1960s and 1970s, he served on several presidential advisory commissions on food, nutrition and economics.

MetLife Foundation

MetLife Foundation

ELIGIBILITY: High school senior pursuing a four-year degree in select areas of agriculture, agribusiness management, communications, education, journalism, extension, public relations, finance, economics, sales, marketing, engineering, mechanization, technology, plant pathology, plant/animal breeding and genetics, range/soil science or public service and administration in agriculture. Resident of Alabama, Arkansas, California, Colorado, Florida, Georgia, Idaho, Illinois, Indiana, Iowa, Kansas, Kentucky, Louisiana, Michigan, Minnesota, Mississippi, Missouri, Montana, Nebraska, North Carolina, North Dakota, Ohio, Oklahoma, South Carolina, South Dakota, Tennessee, Texas, Washington, Wisconsin or Wyoming required. No more than one scholarship per state.

AWARD: Awards valued at \$2000 each. Non-renewable.

SPONSOR BIO: MetLife Foundation was created in 1976 to continue MetLife's long tradition of corporate contributions and community involvement. Since its founding through the end of 2016, MetLife Foundation has provided more than \$744 million in grants and \$70 million in program-related investments to organizations addressing issues that have a positive impact in their communities. Today, the Foundation is dedicated to advancing financial inclusion, committing \$200 million to help build a secure future for individuals and communities around the world. To learn more about MetLife Foundation, visit www.metlife.org.

Mike Hopper Memorial Scholarship Endowment

ELIGIBILITY: High school senior or college student pursuing a two- or four-year degree in any major related to agriculture. Must be a resident of Umatilla County, Ore. Minimum 2.0 GPA on a 4.0 scale required. Must complete financial analysis section of application.

SPONSOR BIO: Mike Hopper was a chapter officer and American Degree recipient from Umatilla County, Oregon. He embodied the standards of leadership and service learned through FFA.

National Association of Landscape Professionals Foundation

ELIGIBILITY: High school senior or college student pursuing a two- or four-year degree in horticulture, landscape architecture; environmental or plant science; nursery, landscape or turf management; plant breeding, genetics or pathology; or sustainable agriculture. Preference to students with a direct association to the landscape industry. Student must exhibit strong leadership skills and have participated in community service.

AWARD: Award valued at \$1500 each. Non-renewable.

SPONSOR BIO: The National Association of Landscape Professionals Foundation is dedicated to advancing professional careers in the landscape industry by attracting, inspiring, and supporting the education and advancement of landscape professionals who create and manage healthy green spaces for the benefit of society. The Foundation carries out its mission through public education to promote landscape industry careers by supporting efforts to recruit professionals into the industry and by granting scholarships to help students get the education they need to excel.

National FFA Alumni Association

ELIGIBILITY: High school senior or college student pursuing a four-year degree in agricultural education and a career as an agriculture teacher. Must be an alumni member or from an FFA chapter with an active alumni affiliate.

AWARD: Awards valued at \$1000 each. Non-renewable.

SPONSOR BIO: Alumni is a form of membership within the National FFA Organization that is designed to provide adult members of the organization the opportunity, resources and training to continue their FFA journey and utilize their time, talents, and financial resources to continue to develop students' potential for premiere leadership, personal growth and career success so that FFA can continue to grow leaders, build communities and strengthen agriculture. The National FFA Alumni Association realizes that this is achieved best at the local, state and national level by supporting the local agricultural educator, so they can do what they do best – teach students.

National FFA Combined Scholarship

ELIGIBILITY: High school senior pursuing a two- or four-year degree in any area of agriculture.

SPONSOR BIO: We send special thanks to the donors who made this combined scholarship fund possible. The combined funds include:

- Association Milk Producers Fund
 - Harold Davis Memorial Scholarship
 - Established by the A.O. Smith Harvestore Systems dealers, friends and associates in memory of Mr. Harold Davis, who was the director of marketing of the company until his death in 1982
 - Western Dairy Farmers Promotion Association Fund/John Elway-Melba FFA Scholarship
 - In memory of two Melba FFA members and one parent/chaperone who lost their lives in November 1987, when a Continental airplane crashed on take-off during a snowstorm while departing Denver, Colo., bound for Boise, Idaho, following the National FFA Convention held in Kansas City, Mo.
 - Donald N. McDowell Memorial
 - Established in honor of Donald N. McDowell, the first executive director of the National FFA Foundation from 1969 – 1979.
 - Robert Eggert Memorial Scholarship
 - Established in memory of Robert Eggert, who most wanted to be remembered for promoting education. Bob gave a speech at the National FFA Convention in the 1960's called "Becoming a Person of Greater Value", which exemplified what he most wanted to be remembered for at the end of his life.
 - Wilson W. Carnes Scholarship
 - Given in recognition of Mr. Wilson Carnes, retired editor of FFA New Horizons magazine, by his friends and co-workers to encourage FFA members to pursue an agriculture magazine publishing career
-

National FFA Scholarship Funded by National FFA Staff, Board and Individual Contributors

ELIGIBILITY: High school senior pursuing a four-year degree in agricultural education.

SPONSOR BIO: Funded by the generous support of staff and board members of the National FFA Organization, National FFA Foundation and other Agricultural Education Related Organizations (AERO), as well as other individual contributors through online giving to the scholarship program at www.FFA.org.

National Mastitis Council

ELIGIBILITY: High school senior or college student pursuing a two- or four-year degree in animal or dairy science, agricultural communications, education, journalism, extension, sales and marketing or pre-vet/vet sciences. Applicant must have a dairy background or plan to pursue a career related to dairy and have participated in community service. Scholarship is available for both FFA and non-FFA members.

AWARD: Award is valued at \$1000. Non-renewable.

SPONSOR BIO: NMC (www.nmconline.org) is a not-for-profit professional organization devoted to reducing mastitis and enhancing milk quality. NMC promotes research and provides information to the dairy industry relative to udder health, milking management and milk quality.

National Wild Turkey Federation

ELIGIBILITY: High school senior pursuing a two- or a four-year degree in wildlife management. Minimum 3.0 GPA on a 4.0 scale required. Applicants must support the preservation of the hunting tradition, demonstrate a commitment to conservation, actively participate in hunting sports, have strong leadership skills and have work- or volunteer-related experience. Must exhibit financial need and community service. Winner shall allow National Wild Turkey Federation (NWTf) to publicize winner's name or likeness in a tasteful way for NWTf use.

AWARD: Award is valued at \$5000. Non-renewable.

SPONSOR BIO: The National Wild Turkey Federation is the leader in upland wildlife habitat conservation in North America. A nonprofit conservation organization dedicated to conserving the wild turkey and preserving our hunting heritage, the NWTf and its volunteers work closely with state, federal and provincial wildlife agencies and other partners. Through these dynamic partnerships, the NWTf and its members helped restore wild turkey populations throughout North America, spending more than \$331 million to conserve nearly 16 million acres of habitat. Wild turkeys and hundreds of other species of upland wildlife, including quail, deer, grouse, pheasant and songbirds, benefit from this improved habitat. The NWTf also brings new conservationists and hunters into the fold through outdoor education

events and its Women in the Outdoors, Wheeling' Sportsmen, JAKES and Xtreme JAKES youth outreach programs. Dedicated NWTF volunteers introduce about 100,000 people to the outdoors through these programs every year. Founded in 1973, the NWTF is headquartered in Edgefield, S.C., and has local chapters in every state and Canada. According to many state and federal agencies, the restoration of the wild turkey is arguably the greatest conservation success story in North America's wildlife history.

Paradise Tomato Kitchens

ELIGIBILITY: High school senior pursuing a four-year degree in food science and technology. Must reside in and plan to attend a college or university in Indiana, Kentucky or Ohio. Preference given to applicants competing in state or national FFA sponsored events. Applicants must exhibit strong leadership skills and have work-related experience in agriculture.

AWARD: Awards valued at \$3500 each. Non-renewable.

SPONSOR BIO: Welcome to Paradise™. Over 25 years ago, we had the vision to bring Innovative sauces, packaging and services to the food service industry and a desire to treat customers like family. We work with signature sauces and signature services to help our customers with their business. We work with top manufacturers and chains in food service. The FFA Vision

Students whose lives are impacted by FFA and agricultural education will achieve academic and personal growth, strengthen American agriculture and provide leadership to build healthy local communities, a strong nation and a sustainable world.

The FFA Mission

FFA makes a positive difference in the lives of students by developing their potential for premier leadership, personal growth and career success through agricultural education.

The Agricultural Education Mission

Agricultural Education prepares students for successful careers and a lifetime of informed choices in the global agriculture, food, fiber and natural resources systems.

The National FFA Organization is a resource and support organization that does not select, control or supervise state association, local chapter or individual member activities. Educational materials are developed by FFA in cooperation with the U.S. Department of Education as a service to state and local agricultural education agencies.

The National FFA Organization affirms its belief in the value of all human beings and seeks diversity in its membership, leadership and staff as an equal opportunity employer.
